---

**Challenges**

1. **Database** is being replicated by other organizations
2. Partners are communicating directly with each other to share information and resources

**Impact**

1. Team members have a greater comfort level in undertaking research and being proactive with program change
2. Strengthened relationships with business customers
3. North Shore Career Center has become the high-performing leader of quality referrals and placements

**Partners**

- Workforce Board Member, Workforce Board Staff, WIOA Title I Programs (Adult, Dislocated Worker, Youth), One-stop Operator, Adult Education and Literacy Programs, Economic Development, Community Organization, Higher Education

**Impact**

1. CCD methodology being implemented agency-wide; now part of the work culture and value system
2. State and local partners are also being trained in CCD methodology, which has helped to engage them

---

**Challenges**

2. State and local partners are also being trained in CCD methodology, which has helped to engage them

**Impact**

1. Team members have a greater comfort level in undertaking research and being proactive with program change
2. Strengthened relationships with business customers
3. North Shore Career Center has become the high-performing leader of quality referrals and placements

---

**Challenges**

1. How might we drive and increase out-of-school young adults to realize the value in accessing Arapahoe/Douglas Works! programming and resources?
2. How might we train customer service representatives to demonstrate customer respect?
3. How might we merge soft skills and technical training to provide a workable candidate for the multitude of jobs open in Memphis?

**Impact**

1. CCD methodology being implemented agency-wide; now part of the work culture and value system
2. State and local partners are also being trained in CCD methodology, which has helped to engage them

---

**Challenges**

1. How might we speed up our response time to meet company needs and move job seekers more efficiently into quality employment?
2. How might we improve the coordination of all America’s Job Center of California (AJCC) partners in supporting employer on-site recruitment efforts?
3. How might we recruit more Out-of-School Youth for Career Center Services?
